## What a night!

We had food, drinks, fashion and a fabulous Oscars night! Thank you to all of our filmmakers, VIPs, partners and friends who came out for an evening of woodland fairytale themed glamour, at the gorgeous penthouse at The Ludlow.

## Skål!

We love our NIFF partners so much, and yesterday we got to host our Oscars night together with the awardwinning Norwegian aquavit <u>VI</u>.

Thank you for an incredible night!

We also want to give a shout out to <u>BKE Kombucha</u>, who supplied us with delicious beverages to keep us refreshed through the night.

## Welcome to the family

We are so excited to have launched our Filmmakers Circle membership - giving you access to specialty events, panels, secret screenings and much more. By joining the Filmmakers Circle you also get access to ticketed events, just like our Oscars night.
